### Chaplain's Corner

#### From outside to within the Chapel Corps

By Senior Airman John McClain  
152nd Airlift Wing Chapel Corps

Five and a half years ago, I enlisted as an aircraft maintainer working on drones. Every step of the way, I have worked with and around the Chapel teams getting to see the outside view right up until I cross-trained to be part of their team and play on the other side of the fence.

During basic training, freedom to get out from under the T.I.'s boot was rare and sought

### Armed Forces Day

#### Hawthorne Armed Forces Day Celebrations

Photo and Story by Tech. Sgt. David Morris  
152nd Civil Engineer Squadron

Members from the 152nd Civil Engineer Squadron, Fire Department participated in the Armed Forces Day celebrations in Hawthorne, Nev. on Saturday May 20th, 2017. The day began with a static display of military aircraft, civilian aircraft, and aircraft rescue fire fighting (ARFF) trucks at the Hawthorne airport in which members of the community were able to climb into the aircraft and the fire trucks. Fire protection specialists showed off the capabilities of the ARFF vehicles by allowing children take pictures holding a fire hose and looking at the jaws of life.

The day was highlighted by a parade in which over 60 floats and performers showed off their patriotic colors. This included Senior Master Sgt. Kevin Bandoni and Staff Sgt. Christopher Wagner who drove the 152nd Civil Engineer Squadron, Fire Department's Striker 1500 ARFF truck in the parade. "This is the biggest celebration that this town has all year. They put on a week-long celebration for Armed Forces Day. We are just glad to be a part of it" said Bandoni when asked about the events. The parade ended with members of the community

carrying a massive American Flag down the parade route to the flagpole that sits in the center of the town and was, of course, raised to the sound of the National Anthem. The day was then capped off with food from local vendors and events such as a mud crawl, karaoke, and a corn hole competition.

Hawthorne has a rich history of military pride and service. With the Hawthorne Army Depot covering 147,000 acres of the valley. The depot has been in Nevada since its establishment in 1930. It was originally called the Hawthorne Naval Ammunition Depot, but in 1977 command was transferred from the Navy to the Army and became the Hawthorne Army Ammunition Plant. In 1994 production of ammunition at the plant stopped and the name was changed to the Hawthorne Army Depot.

Even today in 2017 many of the residents work at the base in some capacity. However, the entire town is very patriotic and takes a lot of pride in its history and service to our nation. This was very present in the celebrations that were seen on Armed Forces Day.

### BE A PART OF BASE HISTORY PURCHASE YOUR BRICK TODAY!

#### CHIEF'S COUNCIL — MINUTE-MAN PROJECT

The "Legacy Brick" is a 5x8 brick that can be purchased from the Chiefs Council for display with the Minute Man statue.

There are three pricing tiers we have:

- E-6 and below: \$50.00
- E-7 and above: \$100.00
- Civilian populace: \$75.00

**EXAMPLES ONLY**

**With logo:**  
First two lines: seven characters each;  
Lines three and four: twelve characters each

**Without logo:**  
Four lines, twelve characters each

**12x12 brick option:**  
Available for larger donations from individuals and/or businesses that would like to participate

This fund-raising event will not end. We'd like to raise enough money to at least purchase the Minute Man statue. We'll also sell the bricks and use them for building the platform which the statue will sit on and use them for the walking paths around the base as part of the Base Beautification Plan.

This beautiful display will be something we can all be proud of when all is said and done.

Be a part of base history today!
